

The Greater Works

Truly, truly I say to you, he who believes in me, the works that I do shall he do also, and greater works than these shall he do because I go to the Father.

SOME INSIGHT ON THE BURNING BUSH

Greetings Dear Friends,

This month's OSL newsletter is compliments of Pastor Joanne Bush. Pastor Joanne is from Ball, Louisiana, and is an OSL member. She has spoken at our OSL conferences and is an author. Pastor Joanne wrote this article several years ago, and I was totally intrigued by it. Two years later, I am still contemplating and intrigued by it.

It's time I share with all of OSL. Enjoy and be blessed!

Blessings,
malcolm

“Exodus 3 tells us about Moses and the burning bush. What made this

bush so phenomenal is that, though it was on fire, the bush was not consumed. This was a demonstrated fact of eternity. The Angel of the Lord present in the bush was an eternal being. The Eternal God can create time...but time cannot create the eternal...it can only cooperate with it. This is why Moses was not consumed. Moses came upon an entrance (or portal) into the eternal and he cooperated with the Eternal One.

Sound strange? Let your curiosity be satisfied. There are about six more passages (probably more than that) in scripture that speak of the Fire of the Lord (Eternity) coming forth and consuming, devouring or getting rid of something created in the earth (created in Time). Study it out. There is a parable here to be learned. The reason these things were consumed by the Fire of God

is because they did not participate, agree or cooperate with the Eternal God.

Whenever Eternity and Time come together, what has taken place in time will come into alignment with eternity. It is what Galatians speaks of as the fullness of time. True revival is when Heaven and Earth, Eternity and Time, come into agreement. This is when you begin to see a manifestation we call miraculous. Since Eternity created Time, Time must bow to the Eternal. This does not just happen on a corporate level. As a matter of fact, the

corporate level is much more effective when we learn this on a personal level. Each time you and I agree with the word of God, we create a portal for the manifestation of His word to happen "in time."

This is what happens whenever you pray and/or declare the word of God in faith. You are looking into eternity; grabbing hold of words spoken by God and bringing them into the realm of time so that those words can be manifested

into something which can be seen by the natural eye. God's word is eternal...it will last forever. Moses had opportunity to glimpse into eternity."

God took the strength of a mountain,
the majesty of a tree,
the warmth of a summer sun,
the calm of a quiet sea,
the generous soul of nature,
the comforting arm of night,
the wisdom of the ages,
the power of the eagles flight,
the joy of morning in spring,
the faith of a mustard seed,
the patience of eternity,
the depth of a family need,
then God combined all these qualities,
when there was NOTHING more
to add,
he knew his masterpiece was complete,
And so, he called it....Dad.

May America bless God! Have a safe and happy 4th.
